

Doomed by Donald David Morgan . Hardcover: 9780062519056 Oasis Doomsday Z. Doomed by Bill Bray - A soldier has one chance to save his family. If he fails, the Earth is doomed. John Christopher is a pre-teen genius, a child genius, when he comes home from school. He's the best at science, not even his classmates can beat him. So he needs to take his talents to an institution. He's been accepted into The San Diego State University School of Medicine. He's taken the test to become a doctor and now he's leaving for his new home. His mother cannot bear to lose her best son, so she takes him to a little town in the middle of a massive desert. There, she decides that they'll stay and live off the land. But John has a plan. He has been reading about the existence of a small tropical paradise, far from the deadly savannahs of the desert. In Oasis, John Christopher is about to live the rest of his life in a tropical paradise. Oasis is a prequel to the epic fantasy, Doomed. The Ultimate Book: 069196145X The Last Time We Say Goodbye Lillian Weaver. Divided by a deadly plague, the city of E.V.O.I.X. plunges into chaos. The deadliest pandemic in centuries is spreading across the globe. Government quarantine protocols have only made the problem worse, and when one contaminated city after another falls to chaos and violence, only a few hold the answers. A 21-year-old woman living in New York must find the courage to face the next stage of her life in the shadow of a dark legacy. The Last Time We Say Goodbye is the prequel to The Omega Point, and the second book in the Divided Series. The Ultimate Book: 9781944381592 Book of Trouble John Christopher. Z is John Christopher's adopted nephew, who is fascinated by physics and helping them with their experiments. Then Z falls down a shaft into a place no one has been before. He's rescued by a young woman, and she's not human. He falls in love with her, but is confused,
