Category:Creativity Category:Memory Category:Reasoning Category:Medical terminologyQ: Subprocess call of site_for_update throws an AttributeError I'm using an asyncio.Pool to run multiple site_for_update calls against a remote redis instance. My server.py looks like this: import asyncio import asyncjob import concurrent.futures async def asyncsite_for_update(site_id): job = await concurrent.futures.Future() async with asyncjob.AsyncJob(redis, site_id) as update_job: while True: data = await update_job.get_more(1) if not data: break else: try: await job.set_result(data) except Exception as e: # log exception here print(e) return job async def main(): pool = concurrent.futures.ThreadPoolExecutor(max_workers=2) sites = list(range(10)) sites.sort() jobs = [asyncio.ensure_future(asyncsite_for_update(site_id)) for site_id in sites] await asyncio.gather(*jobs) if __name__ == '__main__': asyncio.run(main()) This should run site_for_update calls one after another in parallel and then join the results of MCQ In Gastroenterology (with Explanatory Answers).epub Theresum MCQ In Gastroenterology (with Explanatory Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub MCQ In Gastroenterology (with Explanatory Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub MCQ In Gastroenterology (with Explanatory Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with Answers).epub Gastroenterology (with
