Japanesih - Joia In a very good paying place in Tokyo, Japan, is a career woman that has even decided to try something different with her life. She is fed up with the rat race and the narrow minded people that are working in the corporate world and she is in search of more. She's on the lookout for a suitable man and one day she thinks that she's found one in you a sweet man from a country that has a different opinion on things. He's going to take good care of her and he has a lot to offer. The girl agrees and after a lot of negotiations and a lot of scheming and manipulations, the girl manages to make it happen. She decides that she will have sex with him and then ship him off to America. There she will train him and make him her business man. The two of them are going to have a wonderful thing going, she will leave him while she goes on trips and he's going to be all alone with her thoughts. The story starts on a new dawn when she gives you the assignment to be her man and come to America. You have to get a green card in order to be able to stay and live in the U.S. of A. You must do everything you can to be her man, the only way to prove yourself is by having sex with her. The two of you enjoy each other's company and things start to develop pretty quickly. Things are on the fast track when one day you are talking to her and she suddenly calls up her friend who is a bit of a player. She goes to hang out with him that evening and you have no other choice but to keep on walking. You are really pissed off to be losing the girl that you had on a one time deal to a second girl and even though you don't
